HIGH SCHOOL WINS OPENING GAME

By Jerry Josey
Record & Landmark Sports Editor

Troutman's Bobcats have been hungry for victory for a long time.

They feasted last night.

The single - win Bobcats counted a brilliant defensive performance by End Braxton Bridgers and a fine show in Tailback Charlie McLean as they downed Bandys' Trojans 8-0, before a crowd of some 1,300 to open the 1960 football campaign in this area last night at Troutman.

It was an initial victory for Coach R. G. Calhoun, who moved over to mentor the Bobcats this year after many seasons at Barium Springs. It was equally a win for Bill Dulin, Calhoun's assistant, who had handled the Bobcats since inserting football into the Troutman athletic picture.

The Troutman dressing room was bedlam, and deserved.

The Bobcats haven't had any opportunities in the past to whoop it up, but they made up for it last night.

"We looked pretty fair at times. We made a lot of mistakes but they're a hard-working bunch and they looked all right," Calhoun said after the game.

Dulin said to the best of his knowledge the victory was Troutman's first grid triumph since the 1958 season. That year, Troutman won one, tied one and lost seven. That tie came with St. Stephens in the final game of the season and the Bobcats suffered through 10 consecutive whippings last year.

A wobbly punt set up Troutman's TD and Bridgers moved from the right flank into the end zone to nail Bandys quarterback Tommy Raybon for a safety in the fourth period to account for the scoring.

Bandys Coach Frank Eller, who succeeded Terrell Hall at the helm this year after a one-year absence from football warfare, said the Trojans "weren't ready. We let the runner get outside on the reverse and it killed us."

Bandys, a member of the District Seven AA Conference, was nailed for 52 yards lost rushing by Troutman's defensive unit, led all night by the play of Bridgers, and it cut down their net yardage to 39.

Bandys received and their best offensive threat came quickly. Raybon passed to End Wayne Sherrill over Troutman's Edward Barefoot and Charlie McLean that carried for 52 yards to the Bobcat's 15 where he was pulled down from behind. Bandys was called for clipping and pushed back to the 30. Two ground gainers, coupled with Bridgers breaking through to nail Raybon for a seven-yard loss, found Troutman taking over on downs.

After a punting exchange, Troutman started knocking on the TD door with a McLean-Bridgers pass combination and a fine 18-yard run by McLean on which he simply bowled over would-be tacklers. The drive stalled, with Troutman punting into the end zone.

Bandys tried to drive it out, but were halted. On a fourth down and 22 situation, Raybon went back to punt. His boot was a wobbly one, off the right side of his foot, and took a crazy bounce back to the Bandys 12, from where he had attempted the kick, and Troutman took over, deep in Bandys territory.

Two pass plays and a pair of McLean attempts at the big

COTTAGE NEWS

South Cottage

Many of us on the campus want to thank Miss Eleanor (Nell) Shull for taking care of our recreation this summer. We had a lot of fun making plaster molds and painting them and lots of other crafts. We played tennis, tether ball, box hockey, softball and many other sports. Miss Shull is teaching in Troutman and some of us are in her class.

We are glad school has started. The fifth through twelfth grades are going to Troutman this year for the first time. Most of us are glad to experience this new set-up.

Our varsity boys have been practicing football real hard. It looks like we will win a lot of games. Junior varsity started this week. Good luck, boys!

The orchard crew had to do a lot of work in the last month or so. They had to pick peaches six days a week and they picked a lot. Mrs. Clendenin sold them as fast as we picked them. Of course we ate an enormous amount, froze some, canned some, and had lots of pies.

The farm crew worked hard too. We had a good crop of everything. Fresh vegetables on the table at meal time sure were good.

We welcome Marvin (Butch) Elliott, who comes from Winston-Salem, to live

Miss Rector Joins The Barium Staff

The coming of September brought to the campus Miss Rosemary Rector. Under the direction of the minister, Rev. Hugh B. Carter, Jr., Miss Rector will be working directly with the youth groups, the church school, and the cottages in the field of religious nurture. A graduate of the University of Arkansas, Miss Rector taught school for four years. Then, desiring to enter the field of Christian Education, she made application to the Assembly's Training School in Richmond, Virginia, and graduated from there in the spring of 1960, under its new name of Presbyterian School of Christian Education. Her major in this two years of study was Bible. Having already committed herself to the camp in which she had been working for many summers, Miss Rector could not come to Barium Springs until the fall. Being particularly qualified for working with young people and having been trained in the field of education and Christian Education, Miss Rector will render a great service to the Christian life of the campus and the formal instruction of the boys and girls.

Concord Men Flood The Campus

Barbecue, beans, buns, and business were the concern of the Men of the Church of Concord Presbytery. From five o'clock in the afternoon until seven-thirty in the evening men streamed through the big dining room on the campus for the barbecue supper. This is an annual event of the Men of the Presbytery and is one of the highlights of the fall season of Barium Springs. All hands in the community were called out in preparation for the parking of automobiles, the arranging of special chairs, the setting up of indoor and outdoor tables and the preparation of the food. Apple cider by the barrels had been prepared and ready to be served and the barbecue spread before the hungry men.

When the evening meal was over, Little Joe's Presbyterian Church was packed to the ceiling and surrounded by the overflow that came for the inspirational services. President A. J. Gillespie had arranged the program of inspiration and business for this army of men to send them forth from Barium Springs ready to carry on the tremendous program of religious interest in their communities and in their churches.

In the roll call it was reported 860 men were present for the occasion. As in the years past, this has been one

Thirty Students Off To School

The fall of the year finds thirty students from the big Barium family in college or in training. Seven of these are from the families of the staff members and twenty-three, from the Home. While most of these are attending institutions in North Carolina, we find that New Hampshire and South Carolina are, also, on the list. The seventeen institutions are: Presbyterian Junior College, Flora Macdonald College, East Carolina College, Pfeiffer College, Presbyterian College, Lenoir-Rhyne College, Appalachian State Teachers College, Lees-McRae, Phillips Exeter Academy, Presbyterian Hospital, Chowan College, Kings Business College, Mitchell College, Womans College (UNC), Mary Baldwin College, University of North Carolina, and Davidson College.

The earnings of the students, plus the assistance from the educational fund, plus the scholarships or grants-in-aid from the colleges attended, have made it possible for this large number to be in school this fall. The memorial gifts now being made applicable to the educational fund, assures the boys and girls of the Home an opportunity for additional education or training after high school graduation.

UNDER THE STEEPLE

By Rev. Hugh B. Carter, Jr.

We have enjoyed some extra good music under the steeple recently, and we salute our several choirs and our director, Mrs. Clontz. The combined choirs of Little Joe's and the Perth A. R. P. Church of Troutman presented a concert of sacred music during August. Miss Julia Clendenin assisted at the piano and Mrs. Clontz played the organ. Mrs. W. C. Lauderdale directed the singing. Senior Highs and Pioneers have taken turns leading Sunday evening vespers at the football field, and we look for more such programs before cold weather comes. The Chancel Choir enjoyed a hay ride cook out party at the farm of Mr. J. C. Murdoch and everyone had a wonderful time.

The Ushers Guild had a dance at South Cottage on September 10 and the Senior High Fellowship went on a swimming party at a recreation area near Salisbury. The Men of the Church opened their Fall season with a supper at Fellowship Hall, served by Jack Crews and Terrell Hall; the speaker was Judge C. B. Winberry of Statesville.

Best news under the steeple is the arrival of Miss Rosemary Rector who joins the Barium Family as Director of Youth Work and the key person in our Church School. Miss Rector is a native of Little Rock, Arkansas and is a graduate of the University of Arkansas and of the Presbyterian School of Christian Education.

We salute our members who are students in schools and colleges away from home. Some have already gone, others will be leaving within the next few days. Those who could be present today are sitting in a body and will be recognized in the course of the morning worship. For each young man and young woman we wish all good things, and to each we pledge our prayers and friendship: Thomas Finley, Melvin McKenzie, and Mac McClure to Davidson; James Bunnell, Donald Frazier and Randy Shaw to P. J. C.; Edna Evans, Graham Blake and James Kiser to A. S. T. C.; Kenneth Joyner, Beverly McClure and Bobby Utsman to U. N. C.; James Blake and Vicky Brafford to East Carolina; Gerry Martin and Dickie McKenzie to Pfeiffer; James White to Chowan College; Ernest Austin to Lenoir-Rhyne; Judy Bolton to Presbyterian Hospital's School of Nursing; Kay Nance to King's Business College; Jean Murdoch to Mary Baldwin; Audrey Waters to Mitchell; Julia Clendenin to Flora Macdonald; Celia Donaldson to Woman's College, U.N.C.; and Herbert Cochran to Phillips Exeter Academy. May God's blessings go with each of these who represent Him and us on the college campus.

A friend of mine has written a little poem that seems appropriate for late summer when the end of the vegetable garden is in sight. Dr. John G. Truitt has given me permission to share his verse with you in this column:

I like to watch my garden grow,
I like to work it row on row;
I like the beets and turnip greens,
The corn and peas and butterbeans,;
But they are best, I'm frank to say
Which now I pick and give away.
The corn and peas and butterbeans;
They feed my soul, the inner man,
They give me joy as never can
The beets and beans and carrots sweet,
Which wife and I are pleased to eat;
There's far more fun I'm pleased to say
In those we grow and give away!

Infirmary Girls

Hi Folks,

Here is the Infirmary again with the news. We are back in the swing of things at school. We are already getting lots of homework—something we all like.

The Infirmary is finished being remodeled and we are very proud of it.

Luckily, we haven't been getting many patients lately. We think we're going to get paid during the winter when everyone gets colds and the flu.

The same girls still work at the Infirmary.

See you again next month.

The North Girls

Hi again,

This is certainly going to be a full scheduled week for us; we hope it will be full of fun.

We are finally getting back into the swing of school which means not only homework but football games, too. We are hoping to win quite a few more games than we did last year. Our first game will be Friday, September the second.

The Chancel Choir will be having an old fashioned hay ride and cook-out on the following Saturday, which will be September the third. It should prove to be rather enjoyable since it is a little unusual for most of us.

The S. H. F. council has been looking forward to their retreat at Camp Grier for some time now. September 17-18 should be really exciting for them after such long waiting and so much talk. Good luck—we hope you don't lose any sleep over it.

Until next month we'll have to say

Au revoir,
The North Girls

Rumple Hall Girls

Hi Everybody,

Well, school has finally started. Everybody is studying as hard as they can. It's kind of hard to get back to studying after a wonderful summer of fun. Everyone here likes going to Troutman and meeting new friends.

Our first football game will be September the second. We are all excited about our games. This year we have three girls who will be playing in the Troutman band and one majorette. They play for all the football games.

Now everyone is looking forward to the fair in September. All are eagerly waiting for it.

We had a wonderful time on Homecoming. Two of our girls came back to visit over the weekend. Linda and Brenda Shepherd spent the weekend with us and we really enjoyed them visiting us again. Vicki Brafford, also, came back for Homecoming.

Will see you next month.

Staff Apartments Are Completed

At long last, some members of the staff have adequate housing facilities at Barium Springs. Five new apartment units—three single and two family—are now in use. These units have been designed not only for the comfortable living of those who occupy them, but in such fashion that they can be used regularly for work with the individual students or groups of students. Located in the center of the campus with lighted walks leading from all cottages, it will be easy for the folks to have students in their home during the day or night.

These one-story, attractive units have been erected on the sight wherein stood the original home of the first superintendent and the court itself will be called Boyd Court in memory of the first superintendent of Barium Springs.

Standing at the entrance to the court will be a marker erected by the students of the Home who remember so affectionately the first superintendent. A gray granite stone, standing in planted area, will bear an inscription on a bronze plaque in memory of Rev. R. W. Boyd, who lived in the home and who was Barium's first administrator.

of the largest rallies of men anywhere in the assembly, including the General Assembly and the Synod meetings of other areas. If the present enrollment continues to be as large, the Presbytery Men's Council will be planning for an outdoor meeting in the fall of '61 to be held, probably, at the athletic field where the stadium can be used. Barium Springs is proud to have a part in the work of the Men of the Church in Concord Presbytery in providing campus facilities for the fall rally.

HIGH SCHOOL WINS OPENING GAME

(Continued from Page 1)

Bandys line moved no further than the Trojan eight, where Bandys took over.

Bridgers raced in to throw Raybon for a 13-yard loss moments later on the Bandys three and the Trojans punted out to the 32, with McLean lugging it back 12 yards to the 20.

Fullback Dale Rogers failed to gain on the first attempt, then picked up two yards over right tackle to set up the touchdown play. Wingback Johnny Murdock, a 139-pound junior, raced around left end on a reverse from the 18 for the TD behind good blocking. The point attempt fizzled when McLean fumbled a high snap from center.

Harry Loftin recovered a Bandys fumble at the Trojan 45 to put the Bobcats back in contention late in the second period, with a McLean to Mac Sherrill pass covering 15 yards for a first down to the 24 but time ran out on the Bobcats.

Troutman, after a punt exchange in the third, penetrated to the Bandys 27 where a fourth-down Richard Ward pass was intercepted by Bandys' Mack McCaslin on the 10 and returned to the 24, with a 15-yard personal foul penalty moving it out to the 39. Bandys moved out to the Troutman 43 for a fourth down and five situation and appeared to have a drive going, but again it was Bridgers cracking through to nail Raybon for a seven-yard loss and Troutman took over. Penalties stalled the Troutman bid, and McLean punted, with Bandys recovering a fumbled punt on their own eight.

The Trojans were charged with an offside violation, pushing them back to the three. Raybon attempting to run it out of the end zone, was hauled down from behind by Bridgers, who slammed in from his defensive right end slot untouched, for a Troutman safety to push the tally to 8-0.

Raybon got off a 23-yard run late in the fourth period to penetrate to the Troutman 37, then grabbed three yards to the 34.

From the first play to the last, it was Bridgers' defensive work that stood out. Raybon attempted to go to the air, was nailed by Bridgers, with help from Guard Bob Ramsey, for an 11-yard loss on the final play.
